

In the harbor she stands  
Holding up her hand  
For everyone who lands in America

Every color every name  
The chances are the same  
That's why she holds her flame for  
America

She stands for Freedom  
Liberty, that's the reason  
We can live in harmony

Only YOU can keep the U  
in the U.S.A, in the U.S.A.  
Only YOU can keep the U  
in the U.S.A, in the U.S.A.  
U.S.A.

For everyone who fought and everyone  
who taught  
Nothing's out of reach  
We never will forget  
We're forever in your debt  
So we take up this torch to teach

Only YOU can keep the U  
in the U.S.A, in the U.S.A.  
YOU can keep the U  
in the U.S.A, in the U.S.A.

So shout for Freedom – **(FREEDOM)**

Liberty – **(LIBERTY)**  
Freedom – **(FREEDOM)**  
It starts with you and me  
Freedom – **(FREEDOM)**  
Liberty – **(LIBERTY)**  
Freedom – **(FREEDOM)**  
It starts with you and...

Only YOU can keep the U  
in the U.S.A, in the U.S.A.  
Only You

Only YOU can keep the U  
in the U.S.A, in the U.S.A.

Freedom – **(FREEDOM)**  
Liberty – **(LIBERTY)**  
Freedom – **(FREEDOM)**

It starts with you and me  
Freedom – **(FREEDOM)**  
Liberty – **(LIBERTY)**  
Freedom – **(FREEDOM)**

It starts with you and only... only  
U.S.A.  
U.S.A.  
U.S.A.  
U.S.A.
